Kalgoorlie

GASCOYNE CAMPUSES
Carnarvon | Exmouth

MIDWEST CAMPUSES
BCMI (Batavia Coast Maritime Institute) | Geraldton | Technology Park

WHEATBELT CAMPUSES
Merredin | Moora | Northam

Study Modes: Descriptions

APPRENTICESHIP (A)
A full-time employment based training program usually lasting 3-4 years. It combines on-the-job learning with scheduled training blocks at TAFE.

PRE-APPRENTICESHIP
A Pre-Apprenticeship enables you to experience what it is like to work in a trade before you make a commitment to working or gaining an apprenticeship in that trade. Pre-apprenticeships do not require you to have an employment contract.

BLENDED DELIVERY (BD)
A combination of online study with on-campus classes.

FACE-TO-FACE (F2F)
Face-to-face classes on campus. Classes can be held during the day or in the evening and are full or part-time.

FLEXIBLE DELIVERY (FD)
Complete course requirements in your own time and pace. May include on campus class time, online learning options, duration and assessment deadlines. These type of courses in many cases are open for enrolments all year round.

INTENSIVE STUDY BLOCKS (IB)
Gain a qualification in a reduced time frame and with minimal class time. Intensive courses combine classes with flexible learning, where students complete course work in their own time.

INTERNATIONAL
Some of our qualifications are open for international students. Enrolments are taken via TAFE International of WA (TIWA).

ONLINE LEARNING (OL)
Flexible and self-paced using innovative learning tools, whilst still having access to a lecturer and online class interaction. Some online courses may require on campus class time for practical components or assessment.

RECOGNITION OF PRIOR LEARNING (RPL)
Acknowledges your formal and informal learning gained through previous training and education, past and current work experience and life experience.

TRAINEESHIP (T)
A Traineeship is a full-time employment based training program usually lasting 12 months or more. Combines on-the-job learning with scheduled training blocks at TAFE.

VETDSS OR PAIS
Students who are still at school can complete a nationally recognised qualification in years 11 and 12. They will gain a better understanding of a specific career pathway, and increase their opportunities for further study or work.

VIRTUAL CLASSROOM (VC)
Students from regional campuses can participate in a class being held at another campus via remote conferencing.

AFFORDABLE TRAINING

Enjoy your training experience at CR TAFE without letting your finances worry you. There are payment options available and our team can help find the best one for you.

Tuition and Resource Fees

Fees vary for each course and are broken up into two parts: **Tuition Fees** and **Resource Fees**.

If you have an eligible and valid concession card, the tuition fees are charged at a reduced rate.

No fees apply for Vocational Education and Training Delivered to Secondary Students (VETDSS).

Tuition Fees

Based on the number of hours within each unit of the course.

Resource Fees

Costs associated with materials required for the course. Other incidental fees for essential core related resources may apply.

Course fee repayment options

To make training accessible, payment options are available, these include:

- Payment Plans
- Centre Pay
- VET Student Loans
- Concessions
- Direct Debit

To learn more about our payment options, please visit our website by scanning the QR code below:

VET Student Loans

VET Student Loans is a Government loan scheme, assisting eligible students in paying tuition fees for certain qualifications in the following levels:

- Diploma
- Advanced Diploma

More information about this initiative can be found on the Australian Government website:

dewr.gov.au/vet-student-loans

Or visit the VET Student Loans page on our website by scanning the QR Code below!

GET SKILLS READY!

What is Skills Ready?

Skills Ready is a State Government initiative, providing prospective students with a range of free skill sets and half-price qualifications. The program is expected to run until 2025, making training more accessible and affordable.

Whether you're looking for a job, thinking about a career change, or up-skilling for your own development, now is the time to get skills ready.

Half-priced courses

As part of the State Government's Lower Fees, Local Skills (LFLS) initiative you can get a nationally recognised and accredited qualification but pay only half the fees. Sometimes the total fee is even less than half price.

There are also fee caps of $400 for 15-24 year olds or eligible concession students ($1,200 for non-concession students).

There are a large range of qualifications available, with more being added, all carefully matched with the skills employers are looking for, so you will be job ready.

Find out more today by visiting our website: ***centralregionaltafe.wa.edu.au/fees-and-payment-options/skills-ready***

Free in 23 courses

From 1 January 2023, a range of skill sets and qualifications in priority industry areas will be *FREE* - no course fees!*

The FREE IN '23 initiative is a joint training agreement secured between State and Commonwealth Governments, which will provide 18,800 fee-free TAFE and vocational education training (VET) places for Western Australian in 2023 - making training more affordable to help Western Australians build better lives and support industry to fill skill gaps.

Courses

This free training will focus on priority industry areas to help build WA's skilled workforce, support our employers and businesses, and create employment and career opportunities for all Western Australians.

Selected full qualifications will be 100% course fee-free and all Job Ready short course skill sets will be fully fee-free from 1 January 2023!

*Some eligibility conditions apply for the free training, and other fees may apply for some courses. Please see the FAQs on our Skills Ready page for further information.

FREE IN 23 COURSES

New qualifications and skill sets Free in 2023! And in even better news, the eligibility criteria for this free training is being expanded so that more people living in Western Australia can access the free courses.
