

52824WA Certificate II in Building and Construction (Pathway - Trades) (Carpentry and Joinery Pre-Apprenticeship)

National ID: 52824WA | State ID: AB31

About this course

Are you looking for a Carpentry or Building and Construction career?

When you complete the Certificate II in Building and Construction you'll be what employers are looking for as an apprentice in the Carpentry and Building and Construction trades. You will gain the knowledge and practical skills to work effectively in the construction industry, use hand and power tools, erect and dismantle restricted height scaffolding, levelling and concreting, interpret drawings, take measurements and workplace health and safety.

Important information

Disclaimer

Courses at Central Regional TAFE are delivered subject to resources and demand. For the latest information, check with the appropriate campus, as course availability may be subject to review and change.

Fees and charges

Find our Indicative Price List [here](#).

At Central Regional TAFE, three types of fees may be charged.

Course Fees

The course fee is the sum of fees for all units that a student enrolls in. An hourly rate based on nominal hours will apply to each unit commenced in 2019.

Resource Fees

Resource fees are charges for materials that are considered essential to a course or unit of study and which do not form part of the course fee. The resource fee covers materials purchased by the College to be consumed or transformed by students in the course of instruction, such as workshop materials, workbooks and essential uniforms.

Other Fees

Other fees may be charged for goods or services that are not essential to the course such as parking, membership to student organisations and security passes.

In addition to these fees students may need to purchase textbooks, uniforms and other course specific equipment. Your Pre Enrolment Information package will provide additional information if these are required.

Please note, fees are subject to change.
