About this course

Do you want a hands-on career?

When you complete the Diploma of Remedial Massage you can become a remedial massage therapist who works with clients presenting with soft tissue dysfunction, musculoskeletal imbalance or restrictions in range of motion. Remedial Massage Therapists may be self-employed or work within a larger health service.

In this qualification students will conduct and complete different types of massage including deep tissue, trigger point, manual lymph drainage myofascial and also includes specialised treatments working people with chronic health disease. Students will work on a variety of clients from the community.

Overview

Training at CRTAFE will be offered with a blended, flexible delivery model to enable social distancing measures during the COVID-19 pandemic. This approach may include a combination of online and classroom based delivery, as well as practical and work experience placements. While the mode of delivery may vary, the content and key learning outcomes of the course will remain the same. Lecturers will provide specific instructions to their student groups on how training will be undertaken and the support available to them.

Job opportunities
Your guide to a career as a massage therapist

When you complete the Diploma of Remedial Massage you could become a remedial massage therapist who works with clients presenting with soft tissue dysfunction, musculoskeletal imbalance or restrictions in range of motion (ROM). Remedial Massage Therapists may be self-employed or work within a larger health service.

Jobs and Pathways

For information about jobs and pathways please see

Important information

On completion you will be eligible to apply for all private health care provider numbers (including Medibank) through nationally accredited massage associations. This gives your clients the ability to claim their massage treatment through their private health cover.

Additional Resources

Students will be required to provide additional resources for this course. Details are provided in the Pre-Enrolment Pack.

VET Student Loans

This qualification is eligible for the Commonwealth Government's VET Student Loan scheme. Eligible students can opt to defer the payment of all or part of their tuition fees by applying for a VET Student Loan. VET Student Loans will not be approved for students who do not meet eligibility requirements. Approved loans become a personal debt with the Commonwealth (HELP debt) until it is repaid.

For more information on VET Student Loans at Central Regional TAFE click here.

For other VET Student Loan eligible courses please visit: www.education.gov.au/vet-student-loans

Fees and charges

Find our Indicative Price List here.

At Central Regional TAFE, three types of fees may be charged.

Course Fees

The course fee is determined by multiplying the tuition fee rate by the nominal hours, which is the number of hours in which an average student could be expected to complete each unit.
Resource Fees
Resource fees are charges for materials that are considered essential to a course or unit of study and which do not form part of the course fee. The resource fee covers materials purchased by the College to be consumed or transformed by students in the course of instruction, such as workshop materials, workbooks and essential uniforms.

Other Fees
Other fees may be charged for goods or services that are not essential to the course such as parking, membership to student organisations and security passes.

In addition to these fees students may need to purchase textbooks, uniforms and other course specific equipment. Your Pre Enrolment Information package will provide additional information if these are required.

Please note, fees are subject to change.
