

RII30815 Certificate III in Civil Construction Plant Operations

National ID: RII30815 | State ID: AZG2

About this course

Have you always wanted to work with big machines? Make it your everyday reality with a career in Civil Construction.

A career as an operator in the Civil construction industry provides a diverse working environment where no two days are the same. You'll be required to apply a broad range of skills, and provide theoretical advice and support to a team. As a qualified operator the job opportunities are endless, particularly in the construction and mining industry.

As part of your training you will learn how to:

- Carry out measurements and calculations
- Identify, locate and protect underground services
- Carry out manual excavation
- Use hand and power tools
- Operate small plant and equipment
- Conduct civil construction skid steer loader operations
- Conduct backhoe/loader operations

- Conduct roller operations
- Implement traffic management plan
- Control traffic with stop-slow bat
- Drain and dewater civil construction site and more!

COST

Full: \$738.70 | Concession: \$218.90 (under 25 y/o)

Fees and charges

Find our Indicative Price List [here](#).

At Central Regional TAFE, three types of fees may be charged.

Course Fees

The course fee is determined by multiplying the tuition fee rate by the nominal hours, which is the number of hours in which an average student could be expected to complete each unit.

Resource Fees

Resource fees are charges for materials that are considered essential to a course or unit of study and which do not form part of the course fee. The resource fee covers materials purchased by the College to be consumed or transformed by students in the course of instruction, such as workshop materials, workbooks and essential uniforms.

Other Fees

Other fees may be charged for goods or services that are not essential to the course such as parking, membership to student organisations and security passes.

In addition to these fees students may need to purchase textbooks, uniforms and other course specific equipment.

Your Pre Enrolment Information package will provide additional information if these are required.

Please note, fees are subject to change.
