

RII30815 Certificate III in Civil Construction Plant Operations

National ID: RII30815 | State ID: AZG2

About this course

Have you always wanted to work with big machines? Make it your everyday reality with a career in Civil Construction.

A career as an operator in the Civil construction industry provides a diverse working environment where no two days are the same. You'll be required to apply a broad range of skills, and provide theoretical advice and support to a team. As a qualified operator the job opportunities are endless, particularly in the construction and mining industry.

As part of your training you will learn how to:

- Carry out measurements and calculations
- Identify, locate and protect underground services
- Carry out manual excavation
- Use hand and power tools
- Operate small plant and equipment
- Conduct civil construction skid steer loader operations
- Conduct backhoe/loader operations

- Conduct roller operations
- Implement traffic management plan
- Control traffic with stop-slow bat
- Drain and dewater civil construction site and more!

Overview

Training at CRTAFE will be offered with a blended, flexible delivery model to enable social distancing measures during the COVID-19 pandemic. This approach may include a combination of online and classroom based delivery, as well as practical and work experience placements. While the mode of delivery may vary, the content and key learning outcomes of the course will remain the same. Lecturers will provide specific instructions to their student groups on how training will be undertaken and the support available to them.

Available all year round, 2020

Geraldton Campus - Self Paced Onsite

-  Duration: **6 Month/s**
-  When: **Available all year round**
-  How: **Face to face (class room)**

Units

To achieve this qualification you must successfully complete 19 units consisting 14 CORE and 5 Electives from the list below.

Core

National ID	Unit Title
RIIBEF201D	Plan and organise work
RIICCM201D	Carry out measurements and calculations
RIICCM202D	Identify, locate and protect underground services
RIICCM203D	Read and interpret plans and job specifications
RIICCM205E	Carry out manual excavation
RIICCM206D	Support plant operations
RIICCM207D	Spread and compact materials manually
RIICCM208D	Carry out basic levelling
RIISAM201D	Handle resources and infrastructure materials and safely dispose of nontoxic materials
RIISAM203D	Use hand and power tools
RIISAM204D	Operate small plant and equipment
RIIWMG203D	Drain and dewater civil construction site

Elective

National ID	Unit Title
RIICCM211D	Erect and dismantle temporary fencing and gates
RIICOM201D	Communicate in the workplace

National ID	Unit Title
RIIMPO301E	Conduct hydraulic excavator operations
RIIMPO317F	Conduct roller operations
RIIMPO318F	Conduct civil construction skid steer loader operations
RIIMPO319E	Conduct backhoe/loader operations
RIIWHS201D	Work safely and follow WHS policies and procedures

Option

National ID	Unit Title
CPCCWHS1001	Prepare to work safely in the construction industry

Entrance requirements

School Leaver	Non-School Leaver	AQF
OLNA or NAPLAN 9 Band 8	C Grades in Year 10 English and Maths or equivalent	Certificate I or Certificate II

- Students must be 18 years of age and over.
- A formal interview process will take place prior to enrolment with students selected on merit.
- The course will follow Industry expectations with random drug and alcohol testing to take place.

Important information

LOCATION

Geraldton - Technology Park Campus

DURATION

10 weeks | 4 days p/w | Now enrolling for Term 1, 2020

COST

Full: \$738.70 | Concession: \$218.90 (under 25 y/o)

Fees and charges

Find our Indicative Price List [here](#).

At Central Regional TAFE, three types of fees may be charged.

Course Fees

The course fee is determined by multiplying the tuition fee rate by the nominal hours, which is the number of hours in which an average student could be expected to complete each unit.

Resource Fees

Resource fees are charges for materials that are considered essential to a course or unit of study and which do not form part of the course fee. The resource fee covers materials purchased by the College to be consumed or transformed by students in the course of instruction, such as workshop materials, workbooks and essential uniforms.

Other Fees

Other fees may be charged for goods or services that are not essential to the course such as parking, membership to student organisations and security passes.

In addition to these fees students may need to purchase textbooks, uniforms and other course specific equipment. Your Pre Enrolment Information package will provide additional information if these are required.

Please note, fees are subject to change.
