

52807WA Certificate I in Industrial Skills (Entry Level Training)

National ID: 52807WA | State ID: BCX38

About this course

Combined Construction and Industrial Skills! Two Courses at once!

This program offers the best of Certificate II in Construction along with Certificate I in Industrial Skills.

The selection of units in this combined program will give the client an extensive range of recognised skills, such as carpentry, working at heights and in confined spaces, scaffolding, leveling, use of tools and equipment, skid steer, forklift, excavator and White Card.

On completion these skills will assist you in your search for a satisfactory employment in fields such as construction, civil or the mining sector.

Further study opportunities

Central Regional TAFE has many further study opportunities available. Check out our Course Guide for all your future study options.

Job opportunities

[Your guide to Australian careers](#)

Your qualification prepares you for roles such as entry into the resource industry workforce and articulation into specialised trade studies.

Important information

Additional Resources

You will need to wear steel cap safety boots and safety glasses. Hard Yakka type clothing is preferred.

Disclaimer

Courses at Central Regional TAFE are delivered subject to resources and demand. For the latest information, check with the appropriate campus, as course availability may be subject to review and change.

Fees and charges

Find our Indicative Price List [here](#).

At Central Regional TAFE, three types of fees may be charged.

Course Fees

The course fee is the sum of fees for all units that a student enrolls in. An hourly rate based on nominal hours will apply to each unit commenced in 2019.

Resource Fees

Resource fees are charges for materials that are considered essential to a course or unit of study and which do not form part of the course fee. The resource fee covers materials purchased by the College to be consumed or transformed by students in the course of instruction, such as workshop materials, workbooks and essential uniforms.

Other Fees

Other fees may be charged for goods or services that are not essential to the course such as parking, membership to student organisations and security passes.

In addition to these fees students may need to purchase textbooks, uniforms and other course specific equipment. Your Pre Enrolment Information package will provide additional information if these are required.

Please note, fees are subject to change.
