

AHC31416 Certificate III in Conservation and Land Management

National ID: AHC31416 | State ID: BDC1

About this course

Are you looking for a career working with plants and animals?

When you complete the Certificate III in Conservation and Land Management you will be ready for a career as a conservation worker, parks and wildlife ranger, or bush restoration worker.

You will have the skills and knowledge to work effectively in the land conservation industry, maintaining natural areas and wetlands, providing cultural knowledge, revegetation programs, planting shrubs and trees, treating weeds, collecting seeds, and workplace safety and health.

Working in the Conservation and Land Management industry is for people who would love to work in an outdoor environment and recognise the value in restoration of natural bushland and coastal areas.

Our Focus on Flexible Options

Many of our courses offer flexible learning options that provide you with the opportunity to study whenever and wherever suits you. Flexible options can include online learning, workplace assessment, recognition of prior learning and correspondence type programs that can sometimes be supplemented by block or focussed delivery.

We strive to offer a mix of flexible options that suit your needs. Typically flexible learning options are open for enrolment all year round, allowing you to start any time and completed within 6 months of your start date. Choose the right amount of units for you to study at any given time.

Our Self Paced External courses can be accessed anywhere and anytime, regardless of your geographical location!

This qualification enables individual to select and Indigenous land management, lands, parks and wildlife or natural areas management context as a job focus or a mix of these.

Important information

Disclaimer

Courses at Central Regional TAFE are delivered subject to resources and demand. For the latest information, check with the appropriate campus, as course availability may be subject to review and change.

Fees and charges

Find our Indicative Price List [here](#).

At Central Regional TAFE, three types of fees may be charged.

Course Fees

The course fee is determined by multiplying the tuition fee rate by the nominal hours, which is the number of hours in which an average student could be expected to complete each unit.

Resource Fees

Resource fees are charges for materials that are considered essential to a course or unit of study and which do not form part of the course fee. The resource fee covers materials purchased by the College to be consumed or transformed by students in the course of instruction, such as workshop materials, workbooks and essential uniforms.

Other Fees

Other fees may be charged for goods or services that are not essential to the course such as parking, membership to student organisations and security passes.

In addition to these fees students may need to purchase textbooks, uniforms and other course specific equipment. Your Pre Enrolment Information package will provide additional information if these are required.

Please note, fees are subject to change.
