About this course

Fancy a life on the land?

With the Diploma of Agriculture from CRTAFE you will gain highly sought after specialised skills and knowledge. Learn comprehensively about different farming practices, why pasture and soil health is vital for livestock production, and develop the skills to improve farming efficiency.

Budgeting, production planning, climate risk strategies, animal husbandry and long-term crop management are a sample of the vital agriculture skills you will gain in this comprehensive course.

Our Focus on Flexible Options

Many of our courses offer flexible learning options that provide you with the opportunity to study whenever and wherever suits you. Flexible options can include online learning, workplace assessment, recognition of prior learning and correspondence type programs that can sometimes be supplemented by block or focussed delivery.

We strive to offer a mix of flexible options that suit your needs. Typically flexible learning options are open for enrolment all year round, allowing you to start any time and completed within 6 months of your start date. Choose the right amount of units for you to study at any given time.

Our Self Paced External courses can be accessed anywhere and anytime, regardless of your geographical location!
