

# AHC21016 Certificate II in Conservation and Land Management

National ID: AHC21016 | State ID: BDF0

## About this course

### Are you looking for a career working with plants and animals?

You will have the skills and knowledge to work effectively in the land conservation industry, operating machinery, recognising flora and fauna, planting shrubs and trees, organising propagation, restoring and maintaining wildlife habitat refuges, treating weeds, safely handling chemicals, collecting seeds, and implementing workplace safety and health measures.

This qualification is offered as a dual certificate along with the Certificate II in Horticulture at our Geraldton Campus.

#### Our Focus on Flexible Options

Many of our courses offer flexible learning options that provide you with the opportunity to study whenever and wherever suits you. Flexible options can include online learning, workplace assessment, recognition of prior learning and correspondence type programs that can sometimes be supplemented by block or focussed delivery.

We strive to offer a mix of flexible options that suit your needs. Typically flexible learning options are open for enrolment all year round, allowing you to start any time and completed within 6 months of your start date. Choose the right amount of units for you to study at any given time.

Our Self Paced External courses can be accessed anywhere and anytime, regardless of your geographical location!

## Important information

### VET for Schools

This qualification is also available to [VET in Schools](#) students. For further information regarding this, students will need to contact their local school. Central Regional TAFE has a duty of care for all its students. Special arrangements have been put in place to ensure the safety and well being of students under 18 years of age.

### Disclaimer

Courses at Central Regional TAFE are delivered subject to resources and demand. For the latest information, check with the appropriate campus, as course availability may be subject to review and change.

## Fees and charges

Please contact the college to receive an indicative price for this course.

Find details of all course costs on our Fees page [here](#).

At Central Regional TAFE, three types of fees may be charged:

- **Course fees** - set by the State Government and are calculated on the category of enrolment. Students studying a certificate course may be eligible for a concession. Concession students pay 30% of the **course fees** (not incidental, resource or other fees).
- **Resource fees** - covers materials purchased by the TAFE which will be consumed or transformed by students in the course of instruction, such as workshop materials & workbooks.
- **Other fees** - charged for goods and services that are provided by the TAFE such as security, name badges and IT infrastructure.

In addition to these fees, students may need to purchase textbooks, uniforms and other course specific equipment.

**Please note, fees are subject to change.**
