

# AHC40116 Certificate IV in Agriculture

National ID: AHC40116 | State ID: BDF2

## About this course

### Get ahead of the field!

Become a specialist within the agriculture industry with a Certificate IV in Agriculture. This course is designed to meet the needs of supervisors or team leaders in the agriculture industry.

This qualification will provide you with the practical skills and knowledge to plan, direct, coordinate and perform farming operations to breed and raise livestock or grow crops. You will be able to choose from specialisations in beef production, grain production, horse breeding, and sheep and wool production. You will also learn skills in supervising the maintenance of property, machinery and equipment, and supervising work routines and staff performance.

#### Our Focus on Flexible Options

Many of our courses offer flexible learning options that provide you with the opportunity to study whenever and wherever suits you. Flexible options can include online learning, workplace assessment, recognition of prior learning and correspondence type programs that can sometimes be supplemented by block or focussed delivery.

We strive to offer a mix of flexible options that suit your needs. Typically flexible learning options are open for enrolment all year round, allowing you to start any time and completed within 6 months of your start date. Choose the right amount of units for you to study at any given time.

Our Self Paced External courses can be accessed anywhere and anytime, regardless of your geographical location!

## Overview

Training at CRTAFE will be offered with a blended, flexible delivery model to enable social distancing measures during the COVID-19 pandemic. This approach may include a combination of online and classroom based delivery, as well as practical and work experience placements. While the mode of delivery may vary, the content and key learning outcomes of the course will remain the same. Lecturers will provide specific instructions to their student groups on how training will be undertaken and the support available to them.

## Available all year round, 2020

### Merredin Campus - Workplace Delivery

-  Duration: **6 Month/s**
-  When: **Available all year round**

## Job opportunities

[Your guide to a career as a farm worker](#) [Your guide to a career in agriculture](#)

Job opportunities include: Farm Team Leader, Farm Supervisor.

## Important information

## Disclaimer

Courses at Central Regional TAFE are delivered subject to resources and demand. For the latest information, check with the appropriate campus, as course availability may be subject to review and change.

## Fees and charges

Find our Indicative Price List [here](#).

At Central Regional TAFE, three types of fees may be charged.

### Course Fees

The course fee is determined by multiplying the tuition fee rate by the nominal hours, which is the number of hours in which an average student could be expected to complete each unit.

### Resource Fees

Resource fees are charges for materials that are considered essential to a course or unit of study and which do not form part of the course fee. The resource fee covers materials purchased by the College to be consumed or transformed by students in the course of instruction, such as workshop materials, workbooks and essential uniforms.

### Other Fees

Other fees may be charged for goods or services that are not essential to the course such as parking, membership to student organisations and security passes.

In addition to these fees students may need to purchase textbooks, uniforms and other course specific equipment. Your Pre Enrolment Information package will provide additional information if these are required.

**Please note, fees are subject to change.**
