

SFI20219 Certificate II in Fishing Operations

National ID: SFI20219 | State ID: BEI4

About this course

Why not turn your passion for fishing into a career!

This qualification will give you the basic skills you need to start work in the fishing sector of the seafood industry. This course will teach you a broad range of routine processes and procedures which may include maintaining fishing gear, operating small vessels, using deck equipment, processing and basic marine science skills.

You will gain knowledge and skills in:

- Assisting with operation of fishing gear and equipment
- Basic processing and temperature control of harvest
- General cleaning and maintenance of equipment and vessel, and
- Handling, harvesting and sorting by-catch.

Important information

Third Party Provider

Central Regional TAFE engages the services of a Third Party in the provision of this course. Further details can be provided prior to enrolment.

VET in Schools

This qualification is also available to [VET in Schools](#) students. For further information regarding this, students will need to contact their local school. Central Regional TAFE has a duty of care for all it's students. Special arrangements have been put in place to ensure the safety and well being of students under 18 years of age.

Disclaimer

Courses at Central Regional TAFE are delivered subject to resources and demand. For the latest information, check with the appropriate campus, as course availability may be subject to review and change.

Fees and charges

Find our Indicative Price List [here](#).

At Central Regional TAFE, three types of fees may be charged.

Course Fees

The course fee is determined by multiplying the tuition fee rate by the nominal hours, which is the number of hours in which an average student could be expected to complete each unit.

Resource Fees

Resource fees are charges for materials that are considered essential to a course or unit of study and which do not form part of the course fee. The resource fee covers materials purchased by the College to be consumed or transformed by students in the course of instruction, such as workshop materials, workbooks and essential uniforms.

Other Fees

Other fees may be charged for goods or services that are not essential to the course such as parking, membership to student organisations and security passes.

In addition to these fees students may need to purchase textbooks, uniforms and other course specific equipment. Your Pre Enrolment Information package will provide additional information if these are required.

Please note, fees are subject to change.
