

SFI20119 Certificate II in Aquaculture

National ID: SFI20119 | State ID: BEI8

About this course

Pursue your passion for aquatic life.

A Certificate II in Aquaculture will provide you with the practical skills and knowledge to assist in the care and maintenance of fish stocks. You will learn skills in food handling, controlling pests, predators and diseases, handling and harvesting stock, maintaining and manipulating the water environment and applying chemicals and biological agents. It provides individuals with skills and knowledge to work as a field hand in an aquaculture operation such as a hatchery, sea cage or pond facility. It is applicable to school-based studies.

You will also gain knowledge and skills in:

- Controlling diseases
- Collecting broodstock
- Handling food
- Handling and harvesting stock
- Maintaining water environments and
- Applying chemicals and biological agents.

Central Regional TAFE engages the services of a Third Party in the provision of this course. Further details can be provided prior to enrolment.

Disclaimer

Courses at Central Regional TAFE are delivered subject to resources and demand. For the latest information, check with the appropriate campus, as course availability may be subject to review and change.

Fees and charges

Find our Indicative Price List [here](#).

At Central Regional TAFE, three types of fees may be charged.

Course Fees

The course fee is determined by multiplying the tuition fee rate by the nominal hours, which is the number of hours in which an average student could be expected to complete each unit.

Resource Fees

Resource fees are charges for materials that are considered essential to a course or unit of study and which do not form part of the course fee. The resource fee covers materials purchased by the College to be consumed or transformed by students in the course of instruction, such as workshop materials, workbooks and essential uniforms.

Other Fees

Other fees may be charged for goods or services that are not essential to the course such as parking, membership to student organisations and security passes.

In addition to these fees students may need to purchase textbooks, uniforms and other course specific equipment. Your Pre Enrolment Information package will provide additional information if these are required.

Please note, fees are subject to change.
