

# KAA09 Licence to Operate a Forklift Truck Skill Set

National ID: KAA09 | State ID: KAA09

## About this course

### TLILIC2001 - Licence to operate a forklift truck

Our WorkSafe Registered Trainer/Assessor will provide participants with hands on practical skills and knowledge in the safe and efficient operation of a counter-balance forklift.

Forklift is considered high risk work and you will attain the skills required to maneuver goods in a variety of industries including manufacturing, transport, mining and production industries.

Upon successful completion participants are able to apply for a High Risk License WorkSafe license.

**This is a nationally recognised unit of competency and upon successful completion you will receive a Statement of Attainment**

Please also refer to the [Student Information Pack](#) for additional College and support information.

Kalgoorlie Campus - Tracy Hicks - 9088 6830

## Fees and charges

Please contact the college to receive an indicative price for this course.

Find details of all course costs on our Fees page [here](#).

At Central Regional TAFE, three types of fees may be charged:

- **Course fees** - set by the State Government and are calculated on the category of enrolment. Students studying a certificate course may be eligible for a concession. Concession students pay 30% of the **course fees** (not incidental, resource or other fees).
- **Resource fees** - covers materials purchased by the TAFE which will be consumed or transformed by students in the course of instruction, such as workshop materials & workbooks.
- **Other fees** - charged for goods and services that are provided by the TAFE such as security, name badges and IT infrastructure.

In addition to these fees, students may need to purchase textbooks, uniforms and other course specific equipment.

**Please note, fees are subject to change.**
