

# KAA12 Traffic Management Skill Set

National ID: KAA12 | State ID: KAA12

## About this course

**The Traffic Management Skill Set is for people who want to work in traffic management on public roads and other designated traffic management areas.**

This course will provide participants with the knowledge and skills required to be able to safely control traffic with a stop/slow bat in accordance with Main Roads WA (MRWA) requirements and implement basic traffic management plans for works on roads.

The course covers:

- Plan, prepare and coordinate Traffic
- Setting out the traffic guidance scheme
- Close down traffic guidance scheme
- Controlling traffic
- Operating communication devices
- Clean Up

This three day course includes written and practical assessments, including mandatory practical logbook assessments in the below units of competency:

RIIWHS302D Implement Traffic Management Plan

RIIWHS205D Control Traffic with a Stop/Slow Bat

RIICOM201D Communication in the Workplace

RIIWHS201D Work safely and follow WHS policies and procedures

Requirements:

- Evidence of a valid driver's licence, or evidence of previously having held a driver's licence (no learner's permits or moped licences).
- Literacy and numeracy skills to a level that will allow you to complete the written component of the assessment.
- A Whitecard (Safety Awareness Training) is now a required pre-requisite in order for attendees to complete the logbook component of the training and for the graduate to be issued with this accreditation to work on a road site.

Practical

For the practical assessment all participants are required to:

- Wear appropriate work wear steel capped boots, hi-visibility clothing for practical assessments if possible.
- Hat and sunscreen recommended.
- Safety glasses/sunglasses.

These are nationally recognised units of competency and upon successful completion you will receive a Statement of Attainment and MRWA accreditation.

Please also refer to the [Student Information Pack](#) for additional college and support information.

## Overview

### Important information

**Duration** - 3 Days

For additional information, pricing or to enrol please contact our Commercial Training Coordinator listed below:

Kalgoorlie Campus - Tracy Hicks - 9088 6830

### Fees and charges

Find our Indicative Price List [here](#).

At Central Regional TAFE, three types of fees may be charged.

Course Fees

The course fee is determined by multiplying the tuition fee rate by the nominal hours, which is the number of hours in

which an average student could be expected to complete each unit.

#### Resource Fees

Resource fees are charges for materials that are considered essential to a course or unit of study and which do not form part of the course fee. The resource fee covers materials purchased by the College to be consumed or transformed by students in the course of instruction, such as workshop materials, workbooks and essential uniforms.

#### Other Fees

Other fees may be charged for goods or services that are not essential to the course such as parking, membership to student organisations and security passes.

In addition to these fees students may need to purchase textbooks, uniforms and other course specific equipment. Your Pre Enrolment Information package will provide additional information if these are required.

**Please note, fees are subject to change.**
