

KAB40 White Card Skills Set (2 Days)

National ID: KAB40 | State ID: KAB40

About this course

Gain the basic knowledge to safely enter and work on a construction site.

This short course will allow students to receive a White Card which under Work, Health and Safety Legislation is required to enter a construction site. Students will also learn to identify hazards and prevention of workplace accidents and injuries.

Topics covered in this course include:

- Health and safety legislative requirements
- Construction hazards and control measures
- Health and safety communication and the reporting process
- Incident and emergency response procedures

Course Content

The below nationally recognised unit of competency is included in this course:

CPCCWHS1001 Prepare to work safely in the construction industry

Certification

Upon successful completion students will be issued with a Certificate of Attainment

Overview

Training at CRTAFE will be offered with a blended, flexible delivery model to enable social distancing measures during the COVID-19 pandemic. This approach may include a combination of online and classroom based delivery, as well as practical and work experience placements. While the mode of delivery may vary, the content and key learning outcomes of the course will remain the same. Lecturers will provide specific instructions to their student groups on how training will be undertaken and the support available to them.

Fees and charges

Find our Indicative Price List [here](#).

At Central Regional TAFE, three types of fees may be charged.

Course Fees

The course fee is determined by multiplying the tuition fee rate by the nominal hours, which is the number of hours in which an average student could be expected to complete each unit.

Resource Fees

Resource fees are charges for materials that are considered essential to a course or unit of study and which do not form part of the course fee. The resource fee covers materials purchased by the College to be consumed or transformed by students in the course of instruction, such as workshop materials, workbooks and essential uniforms.

Other Fees

Other fees may be charged for goods or services that are not essential to the course such as parking, membership to student organisations and security passes.

In addition to these fees students may need to purchase textbooks, uniforms and other course specific equipment. Your Pre Enrolment Information package will provide additional information if these are required.

Please note, fees are subject to change.
