

# KAB61 Short Range Radio Skills Set

National ID: KAB61 | State ID: KAB61

## About this course

### Be equipped to use a marine VHF radio

In this course students will learn the necessary skills to use marine VHF radio to transmit and receive information.

Topics covered include:

- Transmit and receive information by marine radio including using very high frequency and high frequency radio
- Regulations relating to marine radio use
- Maintenance and fault-finding procedures on radio equipment and power supplies
- How to operate emergency position indicating beacons (EPIRBs) and search and rescue radar transponders (SARTs)
- How to use AIS man overboard (AIS-MOB) devices and digital selective calling MOB (DSC-MOB) devices

## Course Content

MARC044 Transmit and receive information by marine VHF radio

## Certification

Upon successful completion you will receive a Statement of Attainment

## Overview

Training at CRTAFE will be offered with a blended, flexible delivery model to enable social distancing measures during the COVID-19 pandemic. This approach may include a combination of online and classroom based delivery, as well as practical and work experience placements. While the mode of delivery may vary, the content and key learning outcomes of the course will remain the same. Lecturers will provide specific instructions to their student groups on how training will be undertaken and the support available to them.

## Fees and charges

Find our Indicative Price List [here](#).

At Central Regional TAFE, three types of fees may be charged.

### Course Fees

The course fee is determined by multiplying the tuition fee rate by the nominal hours, which is the number of hours in which an average student could be expected to complete each unit.

### Resource Fees

Resource fees are charges for materials that are considered essential to a course or unit of study and which do not form part of the course fee. The resource fee covers materials purchased by the College to be consumed or transformed by students in the course of instruction, such as workshop materials, workbooks and essential uniforms.

### Other Fees

Other fees may be charged for goods or services that are not essential to the course such as parking, membership to student organisations and security passes.

In addition to these fees students may need to purchase textbooks, uniforms and other course specific equipment. Your Pre Enrolment Information package will provide additional information if these are required.

**Please note, fees are subject to change.**
