

Central Regional TAFE

Logging into Central Regional TAFE online resources

Hello and welcome to Central Regional TAFE!

Emails at TAFE with Office 365

To access your TAFE Office 365 account and other online TAFE resources you will need your Student ID and password.

As a student of Central Regional TAFE, you are given a Student ID number that will have a letter followed by 6 digits or an 8-digit number starting with 500. E.g. G001111, D001111 or 50001111.

This number was sent with your welcome email following your enrolment.

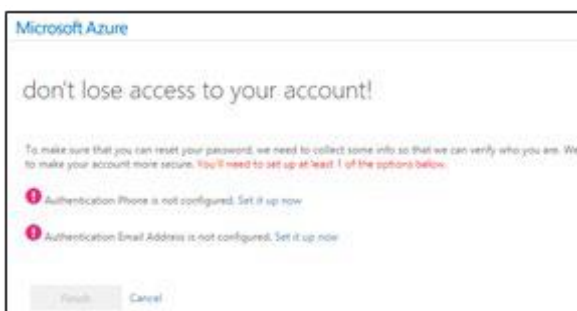

Username: **StudentID@tafe.wa.edu.au**
Default Password: **TafeDDMMYYYY**

Your default password for our systems will be Tafe (with a capital T) and your date of birth in DDMMYYYY format. i.e. Tafe19021985

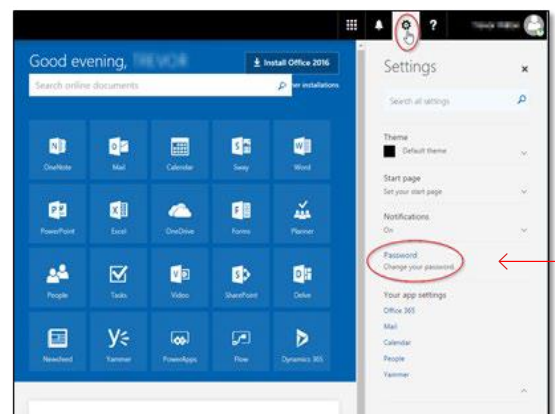

1. The first time you log into your student email, you will need to setup security options for password recovery. Click [Set it up now](#)

2. When the following screen appears, you are required to register an alternate email address or your personal mobile phone to be connected to the account for further security like password resets. It does this by sending a 6-digit pin code to the email address or phone.

3. Once logged in you will need to change your password by going to [Settings](#), clicking on [Password](#).

Note:

- Forcing your password to change is required to sync your credentials to Blackboard, Student Portal, Wi-Fi access & computer logins in classrooms and campus libraries.
- You can only access our systems 48 hours after enrolling.
- **Student passwords expire EVERY 90 days.**
