Pre 2017 Students

How do I log-in to Student Portal?

Student ID number

Domain must be TAFE

The screenshot shows the CiAnywhere login interface. At the top, it says "CiAnywhere" and "Any device. Any where. Any time." Below this is a section titled "Log on using your details". There are three input fields: the first contains the student ID "20000201", the second contains a masked password ".....", and the third is a dropdown menu with "TAFE" selected. A "Log on" button is below the fields, and a "Keep me logged on" checkbox is at the bottom. Red boxes and arrows highlight the student ID, password, and domain fields, with lines pointing to the labels "Student ID number" and "Domain must be TAFE".

Default password

Default password is date of birth in DDMMYYYY format. i.e. 01021981.
